We at the Michaela Foundation would like to sincerely thank all the Donegal parishes in helping the Foundation have such a successful camp last year in Letterkenny. When asked in our feedback forms on how and where the parents heard of our camp a large number of respondents had read about our camp in their local newsletters, so Thank You! As a result we are returning to Donegal - Letterkenny this year again. The Michaela Camp is unique as it is the only all girl (aged 11-13) camp that has Faith as one of their fundamental elements. We have been overwhelmed on the positive attitudes and response the girls have had to the Faith element. We end the final day of camp with a Beautiful Mass that involves all the girls and their parents, it truly is a fantastic way to bring the camp ethos alive!

This year's camp is being held at the same location as last year - The Loreto Convent in Letterkenny on July 13th -17th 2015. Registration has now opened and must be completed online at www.themichaelafoundation.com. Parents will find all information regarding the camp on this website.

We would be so grateful if you could help us this year again to spread the word to your parishioners by including a short note in your newsletters for the next few weeks, spaces are limited so we would like to inform people in advance.

If you have any further queries please do not hesitate to email or call.

Thanking you all kindly,

Donegal Camp
