Look Who is Famous!!

Some years ago, when the railway was in its heyday, it was a very much in luck. What they did not know was that the Railway Bar was a very famous place. The visitors remarked on the well-known friendliness of staff and local alike as well as the attractiveness of the premises and their relative comfort and coziness. They approved of the lower prices for drinks as well as the quality of the same and they were delighted that the town and the railway bar were so close together.

Well done to the pupils and staff of Scoil an Aingil Choimheádaí for their spreading of the Christmas cheer, captured above in one of our newspapers!

Adoration

There will be no Adoration this Wednesday in St. Mary's Church. It will resume again next Wednesday, 30th December.

Burtonport Christmas Lights

Unfortunately due to the adverse weather conditions we experienced this year culminating in storm Desmond, we have not had the opportunity to have our lights safely installed this Christmas. We will do everything in our power to ensure that they will adorn our community again next year.

The Kincasslagh Gathering Committee would like to thank everybody who contributed to the event last weekend in St. Mary's Hall.

Another great success, we started with Mass and enjoyed a lovely afternoon afterwards with entertainment, fine food and great drink! Well, tea is a great drink. Thank you to all who attended because the presence of young and old makes this a community event that spans the generations and gives the 'modern' community the chance to gather and to chat the way they used to before technology and improvements in communications managed to isolate us from each other! Happy Christmas to all from the organising committee!
