Living With Grief - Walking The Spiral

Grief is not a process that we complete or 'move on' from. Rather, grief works in a spiral, drawing us back in at unexpected times to deal with our loss. Whether a loss is recent or from years past, a family event, a song, a memory - all can draw us back. The challenge then is not to 'get over' our grief but to learn to live with this new reality. This evening with Bairbre Cahill (author of Living with Grief - Walking the Spiral) offers us the opportunity to explore how the image of the spiral makes sense for us and how it can help us to learn to live again.

Wednesday 23rd November 7-9pm in Ards Friary. Cost €10. Further enquiries/booking 0894218215
