The Old Railway 15km Rail and coastal walk.

Earlier this year The Old Railway Committee asked for your comments and observations on a proposed walk which would leave Burtonport and go along the Old Railway Walk as far as Meenbannad. After leaving the prepared path and getting on to the tarred road it would then head left towards Keadue strand where walkers could hug the coast line and as far as Arlands and take the narrow lanes through Cloughglass, Tullyisland and then back out at Burtonport. We have had only positive responses from the entire community and landowners along the way and are now hoping to follow through on this project in the next couple of weeks. If you or anyone you know have any observations you would like to make please contact us on 07495 42774 with your comment. Thank you.

Reflection on a few gardeing jobs to be done

First look at the weeds.
Weed out gossip, Weed out laziness, Weed out indifference and weed out pride.
Plant five rows of peas.
Patience, peace, promptness, politeness and prayer.
Tehn plant five rows of Lettuce.
Let us be faithful, let us be loving, let us be useful, let us be trustful and let us be grateful.
Next plant the turnips.
Turn up in time, turn up with a smile, turn up with a new idea and tuen up with a new determination.
Happy gardening.
