Heartfelt thanks to everyone who supported Strictly for Sierra Leone in the Rosses Community School and to those who helped in any way to ensure that the event was such a huge success. Families devastated by the Ebola virus will benefit greatly.

Are you interested in becoming A FRIEND OF THE OLD RAILWAY WALK for 2015 ?

If so, a registration slot will take place on Saturday **31st Jan** from 5.45 - 7 and on Sunday **1st Feb** from 11.30 -12.00 at the

community centre in Acres. We invite you to support this initiative which works out at €1 per month/€12 per year as the money raised really goes a long way towards keeping the walkway and its signage maintained throughout the year. PLEASE NOTE HOWEVER - There is no charge for taking a walk/run on the railway. It does however need to be maintained in order to keep it at the standard we have become used to and this costs money which we as a community need to raise. It is important that we are self sufficient in order for this project to remain sustainable long term. For this reason that we are asking those who can afford to help contribute towards the costs to consider doing so. There are many ways you can contribute to this project e.g. take part on one or more of our regular themed walks throughout the year, buy raffle tickets at various points throughout the year or by becoming a FRIEND OF THE OLD RAILWAY WALK. In return you can expect The Old Railway Walk to remain well maintained and something our community can be proud of.
