Our Response to Pope Francis' call to Action

Locally, do you think as a parish, we could offer accomodation to a family to the above group? Could we commit to renting a property and offering the basic necessities of life to a family for 6 months? For a year? For as long as it takes? I propose a meeting in Acres chapel this **Sunday 20th September at 7.00 p.m.** of people who want to offer something concrete as a community.

A little help

I have received some beautiful works from women in my old parish in Lima, Peru. They have a little workshop where they make peruvian wall hangings and christmas items, and are able to look after their families through their work. This year they found the market for their stuff had dried up and asked if I could help them by selling some of their wares. So I have about 20 knitted crib figures, sets of 9 10cm dolls at €30 and sets of 4 15cm dolls at €30. There are also Advent Calendars for sale at €45. On sale at the Parochial House. Your help will go a long long way to help these ladies.
