The project which will be led by Maureen O Sullivan will be carried out by the "Keeping You IN Stitches" group at CDP Na Rosann over a 6 (ish) week period and aims to start on Monday 9th Oct. The brainstorming session aims to allow individuals to have input into the design and materials used. Pamper a Pillar Campaign

The Old Railway walk will soon launch its Pamper a Pillar Campaign in a bid to raise funds to begin work at securing the 25 + stone pillars along the railway walk route. The pillars, which were built as gateposts when the railway was being developed, have in the majority, stood the test of time but many are in need of serious attention to ensure they remain safe and secure into the future. We are looking for families, individuals, businesses etc. far and wide to sponsor a pillar at €100 each. All sponsors will be acknowledged on a board, which will be kept in the heritage room at Burtonport Welcome Centre. If you are interested in sponsoring a pillar then please contact any committee member, private message on our Facebook page or call in to the community centre and speak to David in relation to this matter. **Thank you.**
