Pamper a Pillar Campaign

The Old Railway walk will soon launch its Pamper a Pillar Campaign in a bid to raise funds to begin work at securing the 25 + stone pillars along the railway walk route. The pillars, which were built as gateposts when the railway was being developed, have in the majority, stood the test of time but many are in need of serious attention to ensure they remain safe and secure into the future. We are looking for families, individuals, businesses etc. far and wide to sponsor a pillar at €100 each. All sponsors will be acknowledged on a board, which will be kept in the heritage room at Burtonport Welcome Centre. If you are interested in sponsoring a pillar then please contact any committee member, private message on our Facebook page or call in to the community

centre and speak to David in relation to this matter. **Thank you.**

Finding Fatima

is a 90-minute documentary detailing Our Lady's visitation of 100 years ago. It will be shown in St Brigid's Hall, Lettermacaward on Wed 27th Sept at 7.30pm. Refreshments afterwards. St John Paul II said "If the Church has accepted the message of Fatima, it is above all because that message contains a truth and a call whose basic content is the truth and the call of the Gospel itself."

Our exciting new major exhibition "**A Vanished World** – the landed gentry of Donegal" opens in Donegal County Museum opens this Friday 15th September at 7.30pm. Curated by Donegal County Council's County Museum and Archives Services, it explores the world of the landed gentry in Donegal in the decades before the foundation of the State. From the social whirl of dinner parties and dances to the management of lands and gardens, the exhibition uncovers the stories of those who lived and worked in the vanished world of Donegal's big houses. Through archives, images and artefacts from the collections of the Archives and Museum Services as well as items on loan, the exhibition reveals what life was like on these country estates.

For children there is a special dressing-up area where they become a Butler or a Housemaid.

In association with the exhibition and as part of the forthcoming Culture Night Programme on the 22nd September, the Museum will welcome the Countess of Leitrim who is seeking staff for her country estate. Only those who are clean-living, honest and industrious need apply. The exhibition forms part of the 2017 Creative Ireland Activation Plan for Donegal and was part funded by the Department of Culture, Heritage and the Gaeltacht. The exhibition will be on display until February 2018 and admission is free. For further information contact: Donegal County Museum, High Road, Letterkenny Co.
