## Rosary On The Coast For Life And Faith Feast Of Christ The King, 26 Nov, 2017

Over the last two months over a million Polish faithful travelled to the borders of their country to pray for the preservation of the faith including the protection of the Unborn Child in Poland. Inspired by the Polish "Rosary at the Borders", Italian faithful held a similar "Rosary on the Border" for the same intention. Many of the thousands who participated prepared with a week-long fast on bread and water.

### IT IS IRELAND'S TURN!

Our island is in the midst of a catastrophic loss of Catholic faith especially among the youth. Ireland, North and South, are facing an immediate threat to the protection of our unborn babies.

We are mustering the faithful to our coastlines, the Atlantic Ocean and the Irish Sea, to pray for the preservation of the faith and for the protection of life at all stages.

The "Rosary on the Coasts for Life and Faith" will be held on Sunday 26 November, the Feast of Christ the King.

### ENCIRCLING IRELAND WITH A HUMAN ROSARY

Ideally we will have a minimum of 53 locations for the Hail Mary's in a Rosary. If we have more we can cover the Creed, Our Fathers and Glory Be's/Fatima prayer. And of course in Ireland we have to have the "Trimming" so the more the merrier!

**I have contacted the movement to express an interest in designating the statue at Burtonport Harbour as one of the locations and they are pleased. They will send on a schedule. I would like each group in our parish, adorers, widows, ministers of word and Eucharist, Altar societies, as well as other interested groups to consider taking part in this project. More to follow.**

On the 30<sup>th</sup> July 2017, Mickey Joe McMonagle, 23 years, sustained life changing injuries as a result of a road traffic accident close to his home in Fintown. Mickey sustained a severe spinal cord injury resulting in paralysis from the chest down and is now on a journey of rehabilitation. His family and friends are embarking on a community wide campaign to raise funds for the necessary adaptation of Mickey's home and to purchase the equipment needed for in his continuing treatment and rehabilitation when he returns home.
