family who celebrated this big moment in his life on Monday.

**Cloughaneely Junior Band** are going to host an indoor music marching band competition [on Sunday 27<sup>th</sup> May](#), Ostan Loch Altan in Gortahork. It will be a wonderful opportunity for bands (miscellaneous, accordion, fife and drum) to showcase their music and display the proud marching band tradition we have in Donegal.

We have received lots of interest already from bands that would like to compete. We have 11 marching bands so far from all over Donegal attending on the day. Save the date as it will be wonderful days entertainment for all the family. 🎵🎵🎵

**The MS Donegal branch** would like to thank you for helping them raise €496.27 at their recent church gate collection

## What does the Eighth Amendment say?

The State acknowledges the right to life of the unborn and, with due regard to the equal right to life of the mother, guarantees in its laws to respect, and, as far as practicable, by its laws to defend and vindicate that right.

"I've been an obstetrician for more than 30 years. The 8th Amendment never prevented me from protecting a woman's life or health in pregnancy. Abortion ends lives. It is not healthcare."

Dr John Monaghan  
Consultant Obstetrician & Gynaecologist

can be forwarded to Dublin for the Final Mass in August.
