Our community fundraising "Halloween Spooktaacular" event takes place on Friday October 26th at St Columba's Community Centre in Burtonport and we are holding a planning meeting on Monday 15th October at 8 to ensure we have plans in place for a

fun, safe and well-coordinated event. We need as many volunteers as we can to divide the workload into small manageable chunks so if you can help with any small aspect of the event we would be most grateful to hear from you. In particular, we need a good response from individuals willing to marshal in high viz on the night. It would be great to have as many individuals as possible show up to the meeting.
