Towards Peace is a service offering spiritual support to those who have experienced abuse perpetrated by Church personnel, individually or institutionally. The vision of **Towards Peace** is to provide a safe supportive space for people and their families, whose spiritual life has been damaged by abuse. It is also a response to the continually growing understanding of the spiritual impact of the trauma of abuse. Towards Peace provides spiritual support through one-to-one spiritual direction sessions, with a qualified spiritual companion. If you have been abused and would like a space to reflect on the impact of the trauma of abuse on your own relationship with God and spirituality, **Towards Peace** is here for you. www.towardspeace.ie Tel: 01 505 3028. Mobile: 086 7710533

Up to twelve sessions are available and there is no fee.

I wish to thank all those who generously support the collection for emigrants each year. This funding allows us to offer essential support to those organisations providing pastoral, practical outreach to the most marginalised and vulnerable groups of Irish emigrants, many of whom are living lives of quiet desperation. Críost linn, John Kirby, Bishop of Clonfert Chair of the Irish Episcopal Council for Emigrants

Help needed

Could parishioners commit to the altar society in some of the lean months. In Acres there is still a need for someone to take care of the linen, altar cloths, Corporals, Finger towels, purificators, etc. There is a need in Kincasslagh for readers. Please contact me at 086 230 0620 if you can fulfil any of these needs. Thank you.

Pray this at different times during the week:
I thank you Lord for the Wonder of my Being
