First Holy Communion

This weekend saw 26 of our young people receive the sacrament of the Eucharist for the first time. They prepared for this all year in the Do This in Memory Programme in our parish and through the great work of our teachers in the three mainland schools of our parish. Thank you to those who became their faith friends during the year and prayed for an individual child. Please continue to pray that the Lord will bless in abundance that which has brought these candidates to this special day!
