## Haiti

Because of the help and support you have given me on my trips to Haiti, I need to inform you of recent developments. Sadly, we have been told that our trip on 26<sup>th</sup> April has been postponed due to political unrest and rising tensions in the country. Haven have made this decision due to safety and responsibility of their volunteers, we are deeply disappointed about this but safety is the priority of the volunteers. It is hoped that it will be rescheduled later on in the year. All our funds will be held till the upcoming trip. I thank you so much for your support. Adrian Ward
