Water Safety Registration 2019 changes

Due to changes in the way that Water Safety Ireland are managing the summer weeks this year, we will have to make changes to the way we carry out registrations.

We have a reduced number of instructors and therefore there are a limited number of places on offer for this programme due to child/instructor ratios.

Email: rosseswatersafety@gmail.com you will then receive a registration form . Once we received your completed registration form your child will be offered a place if one is available. Deadline for registration is Friday 5th July. Keep an eye on our Facebook page for further information at Rosses Water Safety Courses.

Burtonport Festival is organizing a clean-up on Monday 1st July at 7 pm. Meeting in the car park if anyone is available to help out
