Dungloe GAA Pitch Development

Ticket sales for the new pitch are selling well to date but we are still a long way from our target.

The draw represents the single largest fundraising initiative that we will undertake and the better we do at this the less need there will be to revert to other fundraising initiatives that might have less impact for an equal amount of effort.

If you haven't yet managed to help with our sales drive then we would ask that you consider giving us 2 evenings of your time over the next 6 weeks to sell or help with driving.

We realise that time is precious to everyone but we feel that this commitment will pay significant dividends to our club and our community in the coming years.

To volunteer for 2 evenings please call 087 2378940
