Please note change of time for the Belcruit Graveyard Service.

Due to a number of people who are involved in the Dungloe parade, including some of our traffic directors, we have decided to hold the Graveyard service in Belcruit at 6.00 p.m. rather than 5.00 p.m. to accommodate those who wish to be at both. Sorry for any inconvenience caused. On Sunday please be aware that traffic is an issue and follow the instructions of those whose job it is to keep it flowing. Also, where possible, please arrange to travel in full cars rather than individually.

Please bring along some holy water with you to the graveyard as the priests will only bless from the main path this year. The crowds make it difficult to get through the lines of graves. The graves will be blessed anyway by the service held. There will be a collection at the service and money collected at this will be for the continued upkeep of the graveyards.

Online Response

On Thursday I added a Facebook Fundraiser for the Graveyard upkeep in our parish. I am completely overwhelmed by the response which by Friday at 10.30 a.m. had raised an amazing €2783 (now €3120 from the online edition). I'm completely gobsmacked by that, and by the good will shown by our parishioners and friends at home and abroad. Thank you.
