The gospel today is about getting the top places, and being invited among important people. We realise that Jesus' way of looking on what is important is different. The story is about where we get a sense of your own value?

Goes back to how we feel and think about ourselves, and where this comes from. We can think we are not much good. Even the church often gave us a poor sense of ourselves.

We bow before God not in lowliness but because we know who we are with God. Real humility is knowing and loving my real self.

We get a sense of who we are from God as well as from love in our lives. The more we know we are loved by God, the more we love ourselves, because God and we are linked in our personalities. Loving God is loving the God within us who loves us!
