The Irish Pilgrimage Trust- Pilgrimage to Lourdes, Easter 2020

The Irish Pilgrimage Trust travels to Lourdes every Easter Sunday with young people and children from all over Ireland. The Derry, Donegal and Tyrone groups are currently accepting applications from young people of all religious denominations with:

*A medical condition, physical disability, illness, learning disability, social or emotional need (aged 11-30 years)

*Very seriously ill children under the age of 11, accompanied by a parent or close relative

The young person travels without their family but accompanied by experienced adult carers in the group. This week is a great experience for the young person as they have the opportunity to make new friends, increase their social skills and confidence and often provides respite for parents/carers. **The Irish Pilgrimage Trust covers the cost of those young people selected to travel.** If there is a young person that you feel would be eligible and would benefit from a trip to Lourdes please contact Maureen Devine after 5pm (00447540489152) or Mary Dunion (0877962047) for further details and an application form. Please note closing date for applications is 31st October. More details can be found on our website www.irishpilgrimagetrust.ie Volunteers, particularly male are also required in some groups and training will be offered.
