Missionary Appeal

Bishop McGuckian has given permission for an appeal for funding at our Masses next weekend on behalf of the Daughters of Mary and Joseph.

Just a few words about who I am, the work we do in Uganda and what we are raising funds for. My name is Mary Moran. I was born in Laghey, Co. Donegal and have been working in Uganda for over 50 years, most certainly receiving many blessings and great

happiness, and hopefully also contributing to the wellbeing of others.

I was one of the founders of St. Francis Family Helper Programme, having first taught in a Girls High School for 27 years. In our world where we find great inequities, a lot of violence, war, division, racism, injustice, greed and misery we envisioned having a non-violent society of dignified and happy people where poverty, ignorance, abuse and injustice could be eradicated.

There was a glitch with Apple Calendar resulting in a couple of my diary entries finding their way on to the wrong day and time. When I entered an event on my phone it was on a different day on my computer. I have tried to identify these errors but one or two may remain. Please contact me if you think there is an error. Apple have apologised for this error.
