Burtonport Railway Walk

A very special public meeting will be held in St. Columbas Community Centre on Wednesday 16th October @ 8.30 pm with two items on the agenda.

Our annual Spooktacular Halloween 5k Walk that takes place on Friday the 25th of October at 7.30pm with registration from 6.30 pm. We are seeking help to organise this very successful annual event and are asking all participants to wear high viz vests and carry lamps. Refreshments in the community centre afterwards.

Proposed 15k Coastal Loop.

As most people know we have been endeavouring to commence work on the 3rd loop as part of our Railway walk. This loop will be known as the 15k Coastal Loop which commences on Burtonport Pier via Roshine, The Cloughglass, Arlands and Keadue beaches and back to upper Keadue to join with our existing walk. This would be a very inventive walk and would be a huge tourist attraction and of course also for all local walkers. We would like to have it complete

for the summer season of 2020. We would like to invite anyone interested in this project to come along and work in cooperation with us
