Act of Spiritual Communion

My Jesus, I believe that you are present in the Most Holy Sacrament.

I love you above all things, And I desire to receive you into my soul. Since I cannot at this moment

Receive you sacramentally, Come at least spiritually into my heart.

I embrace you as if you were already there And unite myself wholly to you.

Never permit me to be separated from you. Amen.

My continued thanks to those who have been supporting our parish during these days of lockdown, to those who have been using the donate feature on our website, & to those who have been calling to the house with their envelope. Lockdown

Yes there is fear. Yes there is isolation.

Yes there was panic buying.

Yes there is sickness.

Yes there is even death.

But, they say that in Wuhan after so many years of noise, You can hear the birds again.

They say that after just a few weeks of quiet

The sky is no longer thick with fumes

But blue and grey and clear.

They say that in the streets of Assisi

People are singing to each other

across the empty squares, keeping their

windows open so that those who are alone

may hear the sounds of family around them.

They say that a hotel in the West of Ireland

is offering free meals and delivery to the

housebound.

Today a young woman I know

is busy spreading fliers with her number

through the neighbourhood So that the elders may have someone to call on.

Today Churches, Synagogues, Mosques and Temples are preparing to welcome

and shelter the homeless, the sick, the weary

All over the world people are slowing down

and reflecting

All over the world people are looking at their

neighbours in a new way

All over the world people are waking up to a

new reality to how big we really are.

To how little control we really have.

To what really matters.

To Love.

So we pray and we remember that

Yes there is fear.

But there does not have to be hate.

Yes there is isolation.

But there does not have to be loneliness.

Yes there was panic buying.

But there does not have to be meanness.

Yes there is sickness.

But there does not have to be disease of the

soul
