## Act of Spiritual Communion

My Jesus, I believe that you are present

In the Most Holy Sacrament.

I love you above all things,  
And I desire to receive you into my soul.

Since I cannot at this moment  
Receive you sacramentally,  
Come at least spiritually into my heart.

I embrace you as if you were  
already there

And unite myself wholly to you.  
Never permit me to be separated  
from you. Amen.

## Fear

It is said that before entering the sea  
A river trembles with fear.

She looks back at the path she has travelled,  
From the peaks of the mountains,  
The long winding road crossing forests and  
villages.

And in front of her,  
she sees an ocean so vast,  
that to enter  
seems nothing more than to disappear forever.

But there is no other way.  
The river cannot go back.

Nobody can go back.  
To go back is impossible in existence.

The river needs to take the risk  
of entering the ocean  
because only then will fear disappear,  
because that is where the river will know  
it's not about disappearing into the ocean,  
but of becoming the ocean.
