The Justice and Peace Committee, Co.

Donegal, wishes to remind us all that the "Season of Creation" begins next week (1 September- 4 October). This year's dedication is: "Cultivating Hope", a faith response to Climate Crisis. The Conference of Irish Bishops proposes some of the following actions: Set up a "Care for Creation Group" in your parish; create a biodiversity area on church grounds; plant a tree in your parish to mark the Season of Creation; host the Eco Congregation Climate Justice Candle in your parish (www.ecocongregationireland.com); work on joint actions with other Christian

churches in your area (see <https://www.catholicbishops.ie>). More resources are made available by an ecumenical steering committee at: [Season of Creation](#).

Congratulations

Congratulations to Maire and Phil Ward, Belcruit who recently affirmed their Marriage vows on their 50th Wedding Anniversary in St. Mary's, after a quick prayer in the Church in Dunlewey where the big day happened.

Thank you

Thank you for your understanding and help during this time of Covid. We are adjusting to 'the new normal.' Everything has been thought out with your safety in mind, so that even if someone is found to have Covid-19, it will not spread. The reason we ask you, for example, not to slide across the pew to join the queue for communion is simply that if someone was sitting there with Covid, you most likely will put your hand on the pew to guide yourself out and immediately use that hand to place holy communion in your mouth.
