Thank you

Thank you for your understanding and help during this time of Covid. We are adjusting to 'the new normal.' Everything has been thought out with your safety in mind, so that even if someone is found to have Covid-19, it will not spread. The reason we ask you, for example, not to slide across the pew to join the queue for communion is simply that if someone was sitting there with Covid, you most likely will put your hand on the pew to guide yourself out and immediately use that hand to place holy communion in your mouth.
