## OCTOBER 2020 CHALLENGE

Raphoe Mission Team have organised a fast for October and are inviting you to participate. The idea is to have different people fasting on each day of the month with the intention of bringing about change for the better. We are asking you to fast on bread and water on ONE day of October and to pray a decade or even the whole rosary on that day. If you are unable to fast on bread and water for any reason, you can still participate. Why not consider fasting from tea/coffee, your phone, the internet, tv or anything else that would be a sacrifice for you. To sign up for a day, please email [fast@raphoemission.com](mailto:fast@raphoemission.com) and give your name, phone number and the date you are signing up to fast on. You may fast on more

than one day if you wish or if after doing your one day, you feel you would like to do another, you can email again to sign up for another day/days.

## A Missionary Initiative for the Month of October 'EVANGELISING IRISH CULTURE TODAY'

Brought to you by 'The Hook of Faith' - [www.thehookoffaith.com](http://www.thehookoffaith.com)

\*What matters is to evangelise culture - not in a purely decorative way, as it were, by applying a thin veneer - but in a vital way, in depth and right to its very roots' (St. Pope Paul VI, *Evangelii Nuntiandi*, 20).

'It is imperative to evangelise cultures in order to inculcate the Gospel. In countries of Catholic tradition, this means encouraging, fostering and reinforcing a richness which already exists' (Pope Francis, *The Joy of the Gospel*, 69).

## Many Thanks

To all who helped out in our Churches since lockdown ended and worked together to make our places of worship safe for our parish. To our sacristans for their tireless work throughout this difficult time, for your stewards who not only answered the call but took responsibility for assisting us implementing the new guidelines we have been asked to put in place. You have been remarkable. To our readers who came back to their ministry, and to those who committed to coming in and sanitising the chapels twice a day. We did not do anything wrong to have to close our doors to public worship, but we acknowledge the need to take a couple of steps backwards to halt the progress of COVID-19. We are committing ourselves to a safer, more responsible future for all.

I want to especially thank those who have gone out of their way to continue send their contribution to the churches. We are being hit with some large bills this time of year for insurance, €7000+, Church maintenance, grass, web cam fees to name but a few. Income has dropped considerably, but your continuing contributions are helping us keep our heads above water for now. Thank you to those who also continue to use our donate feature on our website to help us out. It is all very much appreciated. God Bless you all.
