## Community broom off challenge

The very successful annual "Halloween Spooktacular" in aid of Burtonport Railway Walk, will this year, be replaced, due to Covid 19 by a community broom off challenge with a witch, whereby a witches will be placed out of reach, high in the tree tops, with other night creatures such as owls, bats and cats. The challenge is to make a sturdy broomstick for Burtonport, so we can decorate the railway in

a Covid friendly way for the school children and also to raise much needed funds for our regularly used walk. We ask the community to co-operate in making the broomsticks and drop them off by the 19<sup>th</sup> October so as they are there 72 hours before the committee can handle them. All details can be viewed on Burtonport Railway Walk Facebook page and we hope that this venture will keep everyone occupied during the mid-term break from 23<sup>rd</sup> to 31<sup>st</sup> October. There will be a number of prizes and we wish to acknowledge the support of the Harbour Cafe, the Wheelhouse Cafe and the two Arranmore Ferries. You can donate online by pressing the donate button on our railway walk Facebook page, or alternatively you can drop an envelope at the box outside Charlie Sweeney's Gatehouse. Special thanks to Breege Ward for her endless work in drawing up plans for this special, novel event.

## Naomh Mhuire GAA

Our weekly bingo has been deferred due to Level 4 and above restrictions  
COVID 19 Sriannta I bhfeidhm le héifeacht ón Aoine 16ú Deireadh Fómhair ar feadh na ceithre seachtaine amach romhainn. Ar mholadh NPHET agus sriannta Leibhéal 4 i bhfeidhm sa chontae, tá sé fógartha ag Coiste Bainistíochta Cumann Lúthchleas Gael agus Comhairle Uladh go bhfuil na cluichí club agus an traenáil ar fad ar fionraí go fóill. Chomh maith le sin tá cosc ar imeachtaí ar thalamh an chluib. Tá an Bingo ar ceal mar gheall ar seo.

Keep safe everybody.

We enjoyed a couple of months of powerful support when we flattened the curve in the first half of the year.

We don't seem to have the same focus now, when it is needed again. Will our downfall be our inability to change our behaviours? To modify them so that I don't pass onto you or you don't pass onto me the virus that has no feelings, no anger, no malice, simply wants to survive?

We can do it. Question is....  
Do we want to?
