Mary's meals

We have our **Christmas fundraising Campaign** launched this week. It is called **The Big Family Christmas**. Through it people can donate €18.30 and set a place at our virtual dinner table which gives a hungry child life-changing school meals for a year. People who are setting places as gifts for friends and family, or in memory of loved ones, will get beautiful placemats featuring their names to email or print out and pass on. www.bigfamilychristmas.com

! Naomh Muire A.G.M. !

Our annual club A.G.M. will be held on 9th December 2020. This year the club will be following guidance from the GAA in Croke Park and running our AGM using the 'AGM Day' model. This means that there will be no physical AGM at the clubhouse and that it will be a virtual one instead. Nomination and motion papers will be available from the Club secretary and have to be back with him by close of business on 25th November 2020 (see contact details below). Club committee reports as well as the chairperson's report will be available upon request from Sunday 29th November. On the 9th December the election of officers and committee will take place. Following that the newly elected club executive will answers any questions on the reports (within 7 days) as well as deal with any motions or other business (within 14 days). We ask that if you are nominating anyone for a position within the club that you firstly speak to that person to ensure that they are happy for their name to go forward.

Thank you

Thank you to Gala and Virgin Media for choosing me for the Donegal award this year. Some of our online parish put my name forward for it and their account of

our 'Camino' obviously impressed the judges. It is really strange in the bleak mid-winter and in level 5 to receive this kind of news and all the heartfelt good wishes that go with it. It's a little embarrassing, but I acknowledge the joy it has spread throughout the parish here, and the virtual one!

All of us who undertook the Camino way back in March collectively knew that there was something special going on that was bigger than me and bigger than each of you. We became a virtual pilgrimage where strangers became friends and walked together, prayed together, laughed together and sometimes cried together. We stopped at the milestone of each day with the Lord and laid down our burdens and asked Him to carry them for us. We were amazed when He did!

You sent messages of how your household had changed over the lockdown, and sent videos of the joy you shared during this strange time.

I truly believe that the Lord started this Camino, and that you and I both, were merely the ones who answered the invitation to follow.

So I accept this award not on my own behalf, but on behalf of all of us who walked and prayed and sang and laughed and cried. And of behalf of the One who invited us.

My grateful thanks to Roseleen today too. She was also nudged by the Lord and responded with a resounding yes, and continues her ministry with love and determination. She is so aware that she is doing God's work and it is a joy to behold. While I may have been nominated, it's Ukulele Pat and Rosarylene!
