## Mary's meals

We have our **Christmas fundraising Campaign** launched this week. It is called **The Big Family Christmas**. Through it people can donate €18.30 and set a place at our virtual dinner table which gives a hungry child life-changing school meals for a year. People who are setting places as gifts for friends and family, or in memory of loved ones, will get beautiful placemats featuring their names to email or print out and pass on. ## Naomh Mhuire GAA Club

The ability of the club to raise much needed income to support our normal operation and development plans was severely hit in recent months due to Covid-19 and it is now more important than ever to raise funds and we'd appreciate any support anyone can provide. ## Proud Parish!!!!

Didn't we all look so well on the Nationwide Programme. My thanks to Niall Martin for his interest and putting us on the map!

It started with a fractious relationship with Alexa! RTÉ's shots of the scenic chapel in Kincasslagh were amazing! Roseleen complained a little about her COVID lockdown hair! And a beautiful moment with James and

Brid Breslin! We received loads of good wishes from home and abroad over this segment, even one of our MEP's, Maria Walsh made contact and wished us well. As did our local representatives present and past.
