The club is part of a pilot programme being run by the GAA. The aim of the programme is to improve the local environment through the focus on the thematic areas of Energy, Waste, Biodiversity, Water, and Transport. Anyone interested in the environment and willing to help with the development of community projects, we would like to hear from you. The more people that get involved, the more we will be able to achieve.

Welcome

The community welcomes little Maisie Molloy to the fold and congratulations to the Sweeney clan on a new addition, and to her doting parents Fiona and Paul.

The Happy Easter Card is a new addition in 2021. It's a great way to keep in touch with children whom you cannot meet in person. Inside the envelope is also the Happy Easter Story booklet which tells the Easter story in easy-to-read rhyme and with great illustrations. And online there's even an audio version of the Happy Easter Story, and all sorts of other things to do. Also in the envelope is the free Easter Colouring Competition.

All designed and produced in Ireland to support Irish businesses.

FOR FAMILIES: Once you supply the recipient's names and addresses, I will send the Card to each one. Each Card will be signed as if by you on the inside, and with your details as the Return Address. **No minimum number of Cards for this option.**

FOR CHURCHES: Each Card will be signed as if by you on the inside, and with your details as the Return Address. I will send the Cards to you in bulk, for you to address and post yourself. Cards for the Republic of Ireland are already stamped to make it even easier. But for the Rest of the World including Northern Ireland, I don't have access to the appropriate stamps so the price is reduced accordingly. **The minimum order for this option is 20 Cards.**
