FitLine

We're inviting people to take part in our FitLine initiative and would appreciate if you could share this information with the people in your community and in your newsletters.

FitLine is our volunteer telephone line designed to help older people who want to feel a bit healthier, but perhaps don't have the motivation, confidence or information on where or how to take that first step. The service is completely free. We're encouraging people to **free phone 1800 303 545** and learn more. After you've made the first call, a FitLine mentor will arrange a time to ring you every two weeks until you're happy with your progress. FitLine mentors are volunteer older people who understand the challenges

of getting active. They'll give you information, advice and gentle encouragement to get moving. To find out more **free phone 1800 303 545** or email fitline@ageandopportunity.ie. You can also visit our website at <https://ageandopportunity.ie/active/fitline/>. Our FitLine leaflet is attached to this mail and provides all the details on the free service.

Maintenance St. Columba's Church
As you can see the north wall of our

church in Burtonport is in bad shape. This has been due to the continuing failure of the guttering which has been allowing water to penetrate the wall and is causing the blistering and falling away of plaster on the inside of the wall. It seems we need to take two courses of action, 1. Replace the existing gutters, and 2. insert flashing underneath the gutters so that any spill from the gutters will be directed away from penetrating the wall itself. Work will start next week with scaffold (€3250) +VAT and Guttering and downpipes and flashing (€6840)+VAT. The wall will need the rest of the summer to dry out before we can paint it again. Any with funding this will be greatly appreciated.

Anybody lost a basketball in the Lackenagh area. It's behind the wall of the chapel at the parochial house.
