Acknowledgements

I wish to acknowledge all of your donations to our fund for the repair and restoration of Acres Church. Among the many donations I wish to thank the **Rosses Pipe Band** members for their generosity in a large donation during the week.

Shout Out: Congrats to Charlie O'Donnell (Keadue) on his new position in the **Foróige VR (Virtual Reality) Youth Panel**.

Charlie will now take many virtual steps with a dedicated panel to investigate ways to connect & test alternative technology platforms. Delighted to have another NYP Youth networking & receiving national recognition. Also well done to Paddy Quinn, as he was involved in Phase 1 VR using Oculus Headsets, which connected NYP in with youth from around Ireland using AltSpace for chats, games and trials. Keep updated with all ongoing developments & summer initiatives through **Facebook: Rosses NYP**

Congrats

We have very few weddings in the last year or so, but I had two more recently, and do you know, they were both lovely. Myself and Rev. Liz Fitzgerald conducted a ceremony for Christopher Bonner and his beautiful Bride, Abigail Maybank. They planned their ceremony for themselves, and it was very special indeed. Wishing you all the very best in the future Christopher and Abi!

Ascension Day

At the end of His earthly life Jesus ascends triumphantly into heaven. The Church acclaim Him in His holy humanity, invited to sit on the Father's right hand and to share His glory. But Christ's Ascension is the pledge of our own. Filled with an immense hope, the Church looks up towards her leader, who precedes her into the heavenly home and takes her with Him in His own person: "for the Son of God, after incorporating in Himself those whom the devil's jealousy had banished from the earthly

paradise, ascends again to His Father and takes them with Him" (St. Leo).
