## Adoration

Now in the 'warmer' weather, and the chapels are open, we can consider opening our churches main areas to Eucharistic Adoration. Please contact Mary Shevlin at 087 773 2201 if you were involved in Eucharistic Adoration in St. Mary's Church, Kincasslagh and are in a position to do so again, or if you feel you would like to commit to spending an hour in front of the Blessed Sacrament on Wednesdays. Previously there was adoration between 10.00 a.m. finishing at Mass time at 7.00 p.m. This can start with less hours if necessary. In Burtonport Eucharistic Adoration had previously taken place on Tuesdays. We are hoping to start now on Mondays after 10.00 a.m. Mass instead. If you were an adorer and are in a position to continue, or if you think you could commit to an hour before the blessed sacrament, please Contact Roseleen at 087 245 6257. Again we can start with a few hours in the morning until it builds up again. This will depend on those who wish to participate. Remember, committing to an hour means that you are committing to making sure that someone is sitting with the Lord during that hour. A family could take responsibility for an hour and a member of that family could go each week. Or a group of friends could do it together or individually. It doesn't mean you have to be there, it means you will make sure

someone is there. Give it a thought!

## Meditation

During the month of July there will be a meditation on Mondays at 7.00 p.m. It will take the form of the Camino once again, with a meditation, reading and short reflection, and finishing with prayers of the faithful. The chapel will be open during this time and it will also be online.

I hope it will be a chance to stop and spend some time with the Lord and to allow some peace into our lives over this month.

## Thank you

A sincere word of thanks to those who are continuing to look after the Chapels in our parish and keeping them safe. To the Ushers who are present to assist with seating at Mass and sanitise the pews afterwards, to the sanitisers who clean the chapel areas open to the public twice daily, and to the altar societies for the general clean up before weekend Masses and of course the help with flowers. I thank God for you and continue to hold you in my prayers. Some have finished with their ministry as they have returned to employment and to those I wish to express my deep gratitude. If others are willing to spend a little time in this endeavour please contact me or any of the Ushers, cleaners. Many hands make light work!
