Meet Toni O'Byrne from Glasnevin. Toni called

after Mass on Monday and asked if I could stamp her St. Columba Passport. I said I never heard of these and she said, 'Well, I made it myself'! So Toni decided that during this year of St. Columba's Centenary she was going to follow in his footsteps and go to Mass along the way. The passport is something like the Camino de Santiago de Compostela, where you can get a stamp to show that you have completed certain parts of the route. It's a brilliant idea Toni! Lovely to meet you and I pray that your Camino will bring many blessings.
