SEEKING YOU HELP AND COPPER

The good news is spreading. Mary's Meals are now feeding 2,058,099 children ever school day. It is a wonderful moment in our

development but our work has just begun. To help us feed even more children, Mary's Meals in Ireland are going to try and feed all the children for one day. This is on top of our normal fundraising. Therefore we need 2,058,099 multiplied by nine cents as it cost nine cents per meal. So we are appealing to you for your old copper coins that are lying around the house and car. Many people have a jug, jam jar or tin that contains their loose coins. You don't even need to count it. We are willing to collect it from you if you are willing to donate it. Please phone Fr Kelly on 0879077985 and he will organise one of our volunteers to help you feed the little children. We are also glad to take old punts and sterling notes and coins. Thank you for all your help and prayers over the years.

Young Donie Joe Doherty from Cruit was actually yawning here but it looked so much like a battle cry I thought I'd use this picture of him at his baptism! **OK FOLKS!, LETS DO THIS!!**
