## MARKET / BARGAIN RAIL

Congratulations to Nora Houston and her assistants on celebrating the 6th anniversary of the Burtonport Community Centre Market/ Bargain Rail last week. The market/ Bargain Rail has been a huge success and has really transformed the community centre since it began. Many thanks to all those who have donated all types of items over the years, and also to our very loyal customers. All items make money for if they are not sold they are recycled and the recycling money goes to Parochial purposes and the local schools. The Market/ Bargain Rail helped funding a number of improvements in the Community centre and have also other community projects, which is greatly appreciated. Well done to all involved
