A MASSIVE THANK YOU FROM MARY'S MEALS

A few weeks ago we made an appeal to you for your old coins and copper coins that were in jam jars, vases and odd pots around the house. We are using these to translate into food to feed the children in Mary's Meals School Feeding Programme. Because we at Mary's Meals can provide a meal for nine cents, your generosity has made a massive difference. In fact, because of this campaign, we have been able to provide 437,777 meals from Donegal alone. When you consider that this is on top of our normal fundraising the people of Donegal deserve a massive thank you. Naturally we are allowing this campaign to continue.

If you are willing to donate the coins we will gladly make use of them. You do not need to count it. We are willing to collect it from you. Please phone Fr Kelly on 0879077985 and he will organise one of our volunteers to help you

feed the little children. We are also glad to take old punts and sterling and foreign notes and coins. Thank you for all your help and prayers over the years.

Trócaire

Trócaire East Africa Hunger Crisis

"The field is the world, and the good seed are the children of the Kingdom" (Mt 13:38)

The Bishops of Ireland have called for a national Church collection in November to support Trócaire in providing life-saving aid to vulnerable communities in East Africa and DRC, where millions of people are being pushed to the edge of starvation. Trócaire teams are already responding on the ground, and are ready to provide more life-saving assistance but need more resources. Any support the Parish can give to this Emergency Appeal will help the urgent work of Trócaire and their hardworking local partners. For more information see www.trocaire.org
