The theme of this meeting will explore **What do we do well now in our parish? What could we develop in our parish? And finally, what do we do now/next?** Our deliberations from the last meeting which asked the question, what would you like your parish to look like came up with this *"Our parish is the people of God, a community of faith. We are a family who offer a place of sanctuary for all. We work as a team, on a mission to care for all - young and old alike- and to bring the good news of the Gospel to the world."*
