Your Calling..... Your Career

Listening compassionately & loving unconditionally. If this is how you envision your future, we invite you to pursue a rewarding and faith-filled career as a professional healthcare chaplain.

What do Healthcare Chaplains do?

Chaplains are professionals who provide spiritual, religious and emotional care to people in many different settings. As a chaplain, you will listen to people who are in a very vulnerable place. You'll celebrate with families who have received great news. You'll mark the beginning of lives, the end of lives and the many transforming moments in between.

What training do I need?

Board certification is required for employment as a chaplain. The Healthcare Chaplaincy Board (HCB) offers certification to Roman Catholics who: 1 Hold a degree in Theology (NFQ Level 8). 2 Complete H Dip or Masters in Pastoral Theology (Healthcare Chaplaincy) or 3 units of Clinical Pastoral Education. 3 Successfully meet the HCB Standards for Healthcare Chaplaincy.

Bursary

For candidates accepted on a recognised Theology course, undergraduate or postgraduate that fulfils the theological requirement for Certification as a Healthcare Chaplain, a BURSARY is available through the HCB. Details on request from the HCB.
