Many thanks also to all who helped with the running of the event and a special thanks to all those who attended. As a voluntary committee it's a great boost and encouragement to us to have such a successful fundraiser and particularly as we celebrate the 30th anniversary of the opening of the centre in July 2023.

Church Envelopes

Church envelopes are available at the back of the Chapel for those who wish to contribute in this way to their Church. From this will come the priests salary, the maintenance of Church, Insurance, Electric and Heating oil, as well as a contribution to the Diocese for its maintenance, and for retired clergy, sick clergy. It also helps to run the pastoral centre, which houses various offices to do with Accord, Marriage Tribunal, counselling and our newly appointed director of Pastoral Renewal, Brian O'Driscoll.

Please take a box home with you. You can use the envelopes anonymously, or if you want your contribution recorded, please write your name on the first envelope or two that you leave in the chapel and we will record your name separately. We will record the amount received from each envelope whether by its number whether it is anonymous or not, so you can always check what you have given by showing us your number. If you are a tax payer, we can claim the tax back of your contribution if it is over €250 for the year, (€5 per week). You need to fill in a separate form for this to take place. We can claim tax back of your previous four years of contribution if you have recorded it as yours.

Many of your neighbours who may not get to Mass may want to receive a box of envelopes so please ask if they want one.
