An Appreciation from the Capuchin Day Centre

Dear Megan,
 On behalf of all of our clients please allow me to acknowledge the safe receipt of your most generous donations of the huge volume of groceries and other items given towards our work here in the Capuchin Day Centre. I understand that this generous donation was made from amongst the local community. Please convey my sincere appreciation to all

concerned. Of course all the hard work and organisation is down to yourself. Thank you also for your thoughtfulness.

We are currently providing, free of charge, over two hundred breakfasts and over five hundred dinners six days a week to the homeless and marginalised in our society. Each week we distribute in the region of fifteen hundred food parcels. We also provide medical, dental, optical and personal hygiene facilities.

Without the kindness and support of people like your good self it would not be possible for us to continue to provide this same high standard of help and assistance to the most needy and vulnerable in our society.

Our donors are remembered in our daily prayers here in the Capuchin Community at Saint Mary of the Angels Church, Church Street, Dublin 7. Rest assured that your generosity will not go unrewarded.

Welcome

Welcome to baby Corey who was baptised in St. Columba's Church last weekend. Congrats to Mackenzie and Stephen!
