International Day for Biodiversity 22nd May 2023

Build back biodiversity into your community. Why? Because it is really important for the planet's fauna and flora, as well as our complex ecosystems. Harmful human activities such as deforestation and

pollution are causing real harm to the planet including loss of biodiversity. Help the bees by planting a variety of wildflowers & native plants in your backyard; leave an area in your garden for biodiversity, organise a clean up in your area, protect natural habitats by sticking to the path; reduce landfill by reducing your waste and recycling; buy food locally grown in your area, educate yourself about biodiversity conservation. Every action counts.

Elvis Event

We had a very successful Elvis Event in An Chuir Hotel on Saturday night 13th May. This night benefited a wonderful little boy called Oisín Campbell from Gweedore. I'd like to thank everyone who attended the event and all who gave donations and bought raffle tickets. So far we have raised €3,300 which was presented to Oisín's Dad Cathal at the end of the show and there's more money coming in.

We had a packed function room, and everyone really enjoyed the wonderful Elvis songs performed by Thomas Gilson from Dublin. I'd like to thank the management and staff of An Chuir Hotel, they were so helpful and efficient.

The Sunday morning we had a lovely Gospel Mass in St. Columba's Church, Acres, Burtonport. This was a very special part of our Elvis weekend and I'd like to thank Fr. Pat Ward for allowing us to share these lovely songs with our community.

We plan to have our next event in 2024 when Elvis Rocking in the Hills of Donegal Fan Club will celebrate its 10th Birthday. For further details contact Beatrice at elvisindonegal@gmail.com
