Praising the Passionate, Precise Altar Servers!

Pensive and poised,
we express our profound gratitude,
To the peerless performers,
whose presence is always pursued.

With purposeful precision,
they partake in their pious play,
Their pivotal role in the liturgy,
a paramount display.

They prepare the processions
with poise and perfection,
Positioning the props and patens,
showing great direction.

Proudly they carry the candles,
piercing the darkened air,
Their patient and poised demeanour,
a portrait of prayer.

They promptly assist the priest,
performing their part,
Pouring the pure water,
playing a pivotal part.

Their presence, a powerful pillar,
enhancing the holy place,
Their participation in the Mass,
a profound state of grace.

Their powerful dedication
and their pious acts we see,
We thank them for their service,
and we pray they'll always be.

Burtonport Railway Walk

Arrangements are being made to have the grass and overgrowth on both sides of the railway walk as there has been huge growth in the past few weeks due to a mixture of warm weather and heavy rainfall. Over the second half of 2023, we'd ask as many as possible to consider donating to the railway walk as friends of the walk for a cost of €12 per year. All monies collected go towards the maintenance of the walk. If you wish to do this contact David on 086 6086231 or Rosaleen on 087 6861251 or online via [idonate.ie](https://www.donate.ie).

30 Year celebration of St Columba's Community Centre

On Thursday 20th July 2023, a special open day, takes place in the community centre, as part of the 30th anniversary of the opening of our much used centre in July 2023. The centre will be open from 12pm midday, with refreshments served and a Cead Mile Failte for all callers. At 4pm, we will have the official opening of our new community garden, by Nora Houston, founder of the very successful market/bargain rail. A lot of work has been done, in creating this new garden, which is situated at the back of the centre, the garden has picnic tables and benches. It has been funded on a 50/50 basis, by the community centre and the market/bargain rail. We hope that this project will be an ideal rest place for people can meet and relax, we hope to have the work's fully completed in the next few weeks. The programme for the evening is 7.30pm, short prayer service and blessing, followed by entertainment from the ever popular Burtonport Variety Group, under the direction of sisters Mary McGee and Margaret Reilly, we will then have amhrain gaeilge and poetry from Gearoidin Breathnach, Áine Meehan and Emily Doogan. The first half of our entertainment finishes featuring our own local ukulele group. We will then have an interval for refreshments. The final show of the night, sees the return of the very talented Eddie Gallagher and Ann McGrory, with all types of dancing. This no doubt will be a most memorable day

and an appropriate way to celebrate the 30 years of our multi purpose centre.

Ards Friary Project Manager.

Over the last several years the Capuchin Friars have begun the process of renewal and regeneration of the mission at Ards Friary. A project co-ordinator is required for the project. This job involves managing significant structural, spiritual, and cultural change. The project works range from the installation of a Reed Bed Sewage system, and a Native Woodland Project, to a renewal of the education program, and the transition to new ways of organising ourselves. All of which will have to be funded by income generated by Ards Friary, or through grants, investments, and donations.

A word of thanks to all who have continued to donate €124.34 received in the defibrillator box that is located in the community centre.
