**Fri 04.10.24 – Sun 06.10.24 at Ards**  
The wisdom that moves us ever deeper into a fullness of life, growing in awe & wonder at its complexity, to the desire to take more & more responsibility for tending & keeping our common home, & ultimately to the realisation of our fundamental interconnection with all creation. Our hope for this weekend is that you will be inspired & leave with a deeper sense of your own place within this vast & beautiful creation, &, grounded in the Incarnation, to embody it in your local communities.
